Come2Campus 2018/19 Excursion:

Day Trip to Münster

Münster is a town known for its beautifully intact gothic buildings and was the setting for the Anabaptist rebellion as well as the treaty of Westphalia which ended the Thirty Years' War. We will see all the main sights with highlights being the St. Paulus Cathedral which has a working astronomical clock from 1540. This is a trip not to be missed!

Program

Saturday, 06 October 2018
