APPLICATION & DEADLINE
You may apply between 10 December 2019 and 15 February 2020 via the following website:
> www.summerprogram.tu-dortmund.de

As a student from a partner university, you need to be registered at your own university and to be nominated by your study abroad coordinator via e-mail.

EXPENSES
Since this is a program for students from partner universities, you only pay the costs for the ISP service package. Academic and language courses are covered through the exchange agreement between your home university and TU Dortmund University and the tuition you are paying there. The service package at the price of 1,950 EUR includes the following benefits:
• Accommodation (from May 28 to July 30)
• Health insurance (from May 28 to July 30)
• Public transport ticket (for the whole state of NRW)
• Cultural program and excursions
• Pick-up service from Dortmund’s central train station
Additional costs of living (food & incidentals) are approx. 300 EUR per month.

**TRACK A: ENGINEERING**

**Target Group:**
This track is designed for students from partner universities from all over the world in their third or fourth year. It is also suitable for graduate students. Track A students are also welcome to enroll in German & European Studies courses.

**Features:**
You can select from a catalogue of courses in the following fields:
- Applied Mathematics
- Automation & Robotics
- Biochemical & Chemical Engineering
- Computer Science
- Business & Economics
- Focus on engineering and business & economics complemented by two mandatory courses in German language and culture
- Hands-on project work to gain practical experience
- Computer labs integrated in several courses
- Exam period after regular classes end
- Optional research project in addition to or instead of the regular ISP
- Work with a specialist in your area of interest

**TRACK B: GERMAN & EUROPEAN STUDIES**

**Target Group:**
This track is offered to American and other international students from partner universities interested in German language, literature and culture in European and global contexts. Track B students are also welcome to enroll in engineering and business & economics courses.

**Features:**
- You can select from classes mostly dealing with German culture in European, transatlantic and global contexts
- In the cultural studies classes, you will join German students in order to explore new developments in German and European culture from different points of view
- If you are interested in a special academic topic, you will be assisted in independent study projects by professors and specialists from different fields

**WELCOME TO THE INTERNATIONAL SUMMER PROGRAM!**

The ISP is designed to offer excellent students innovative, hands-on study opportunities in fields designed to both enhance your academic experience and build your resume, extend your network, and give you a unique European/transnational set of skills in your field of study.

**SPECIAL FEATURES**

- **Authentic academic experience:** ISP courses are part of the regular semester courses, taught for German and international students!
- **Credits** will automatically transfer to your home institution
- **All courses are in English**

**German Language Course**
- Required part of your schedule twice a week for three hours each
- Classes on different levels: beginners, intermediate, advanced

**Cultural Program and Excursions**
- You will explore the Ruhr Area, Germany’s largest – and greenest – metropolitan area
- A number of activities in and around Dortmund will be offered

**Dortmund Doubles Program**
- You will be teamed up with German students who will help you become a part of campus and city life
